

## REMARKS

Reconsideration of this Application is respectfully requested. Because the foregoing changes introduce no new matter, their entry is respectfully requested.

### ***Information Disclosure Statement***

In the Office communication mailed June 5, 2007, the Examiner indicated that the information disclosure statement submitted April 27, 2007 ("IDS") was filed after the Notice of Allowance mailed January 29, 2007. Applicants thank the Examiner for the indication that the IDS will be considered before issuance of the present application.

### ***Informalities Noted in Notice to File Corrected Application Papers and Notice of Drawing Inconsistencies***

The informalities in the Notice to File Corrected Application Papers mailed October 11, 2007 ("Notice to File") are noted. The Notice to File recommended that Applicants amend the specification to delete references to FIGs. 16-67. FIGs. 16-67 were cancelled by the Rule 312 Amendment after Allowance filed April 27, 2007, in response to a Notice of Drawing Inconsistencies mailed March 16, 2007 ("Notice of Inconsistencies").

Instead, Applicants have amended the specification to include a brief description of FIGs. 16-67 and re-submit herewith the previously filed 22 drawings sheets including formal FIGs. 16-67. Support for the amendments to the specification, in particular the Brief Description, may be found in the specification as originally filed. For example, support for the brief description of Figure 16 may be found on page 86.

Applicants submit that the drawings and specification are now consistent as required by the Notice to File and Notice of Inconsistencies. Applicants believe that all the informalities noted in the Notice to File and Notice of Inconsistencies have been fully and adequately addressed or are rendered moot by the present Amendment.

In the Response to Rule 312 Communication mailed June 5, 2007, the Examiner required Applicants to provide an Abstract. In response, Applicants have amended the application to include an Abstract in accordance with 37 C.F.R. § 1.72.
